Press Release

Attention!!! BMI Patients & Friends

Joliet, IL. July 30, 2010: BMI Surgery Vitamins: BMI Surgery vitamins can now be ordered on-line through our website and shipped directly to your home or office. No need to call our office. Take advantage of ordering your vitamins any time of the day, including weekends and holidays by visiting our website.

In addition BMI Surgery has teamed up with North Star Medical and Bariatric Advantage to provide additional high protein foods and other nutritional supplements.

North Star Medical offers Robard Food Products. These products are high in protein and low in calories. Robard makes puddings, soups, protein bars, snacks, etc.

For those ordering through our website, North Star Medical has a special deal going. If you order \$99.00 or more of Robard products only, you will receive free shipping.

In addition you can also include your vitamins with this order and they will ship for free with your order of Robard products totaling \$99.00 or more. Scroll to the bottom of the order form and add BMI Vitamins to your order.

Since North Star Medical is selling BMI Surgery's vitamins as well, you can order from either shopping cart and include other protein products with your order. Please note if your order is less than \$99.00 specifically of the Robard products, there will be a shipping charge for items purchased.

Bariatric Advantage sells Other Vitamin and Mineral Supplements: Bariatric Advantage offers additional supplements that your physician may require you to take. Now you can order these items on-line and have them shipped directly to your home or office. Additional supplements include B-12, Folate, Biotin, Calcium, Iron, Zinc and others.

Please check out our website at www.bmisurgery.org for additional information. On the home page click on Vitamins and Minerals. (Upper right corner)
